

Neutral Milk Hotel, I Love How You Love Me

Jeff: "This is a Phil Spector song.."

I love how your eyes close
Whenever you kiss me
And when I'm away from you
I love how you miss me
I love the way your kiss is always heavenly
But darling most of all
I love how you love me

I love how your heart beats
Whenever I hold you
I love how you think of me
Without being told to
I love the way your touch is always tenderly
But darling most of all
I love how you love me

I love how your eyes close
Each time that you kiss me
And when I'm away from you
I love how you miss me
I love the way your kiss is always heavenly
But darling most of all
I love how you love me
