

# Neutral Milk Hotel, In The Aeroplane Over The Sea

What a beautiful face I have found in this place  
That is circling all 'round the sun  
What a beautiful dream that could flash  
On the screen in a blink of an eye and be gone from me  
Soft and sweet let me hold it close and keep it here  
With me

And one day we will die  
And our ashes will fly  
From the aeroplane over the sea  
But for now we are young  
Let us lay in the sun  
And count every beautiful thing we can see  
Love to be in the arms of all I'm keeping here with me

What a curious life we have found here tonight  
There is music that sounds from the street  
There are lights in the clouds  
Anna's ghost all around hear her voice as it's rolling and ringing through me  
Soft and sweet  
How the notes all bend and reach above the trees

Now how I remember you  
How I would push my fingers through your mouth  
To make those muscles move  
That made your voice so smooth and sweet  
But now we keep where we don't know  
Our secrets sleep in winter clothes  
With one you loved so long ago  
Now he don't even know his name

What a beautiful face I have found in this place  
That is circling all 'round the sun  
When we meet on a cloud  
I'll be laughing out loud  
I'll be laughing with everyone I see  
Can't believe how strange it is to be anything at all
