

# Neutral Milk Hotel, King Of Carrot Flowers, Parts

(Part Two)

I love you Jesus Christ  
Jesus Christ I love you  
Yes I do

I love you Jesus Christ  
Jesus Christ I love you  
Yes I do

And on the lazy days  
The dogs dissolve and drain away  
The world it goes  
And always waits  
The day we are awaiting

(Part Three)

Up and over  
We go through the waving undertow  
I will float until I learn how to swim  
Inside my mother the garbage bin  
Until I find myself again  
Again

Up and over  
We go mouths open wide and spitting still  
I will spit until I learn how to speak  
Up through the doorway the sideboards creak  
With them ever proclaiming me  
Me

Up and over  
We go the weight it sits on down and I don't know  
I will shout until they know what I mean  
I mean the marriage of a dead dog sing  
And a synthetic flying machine  
Machine
