

# Neutral Milk Hotel, Oh Comely

Oh comely

I will be with you when you lose your breath  
Chasing the only meaningful memory you thought you had left  
With some pretty bright and bubbly terrible scene  
That was doing her thing on your chest

But oh comely

It isn't as pretty as you'd like to guess  
In your memory, you're drunk on your autonomy  
It doesn't mean anything at all

Oh comely

All of your friends are all letting you blow  
Bristling and ugly  
Bursting with fruits falling out from the holes  
Of some pretty bright and bubbly friend  
You could need to say comforting things in your ear

But oh comely

There isn't such one friend that you could find here  
Standing next to me  
He's only my enemy  
I'll crush him with everything I own

Say what you want to say  
And hang for your hollow ways  
Moving your mouth to pull out all your miracles  
For me

Your father made fetuses  
With flesh licking ladies  
While you and your mother  
Were asleep in the trailer park  
Thunderous sparks from the dark of the stadiums  
The music and medicine you needed for comforting  
So make all your fat fleshy fingers to moving  
And pluck all your silly strings  
And bend all your notes for me  
Soft silly music is meaningful magical  
The movements were beautiful  
All in your ovaries  
All of them milking with green fleshy flowers  
While powerful pistons were sugary sweet machines  
Smelling of semen all under the garden  
Was all you were needing when you still believed in me

Say what you want to say  
And hang for your hollow ways  
Moving your mouth to pull out all your miracles  
For me

I know they buried her body with others  
Her sister and mother and 500 families  
And will she remember me 50 years later  
I wished I could save her in some sort of time machine  
Know all your enemies  
We know who our enemies are  
Know all your enemies  
We know who our enemies are

Goldaline my dear  
We will fold and freeze together  
Far away from here  
There is sun and spring and green forever  
But now we move to feel  
For ourselves inside some stranger's stomach  
Place your body here

Let your skin begin to blend itself with mine
