

# Neutral Milk Hotel, Snow Song, Part 1

One, two, three..

Cindy smiles  
And overcoats  
She says, "Please stay a while!"  
Like ice cream floats and dreams  
And I will fill you heart  
With boats and bills and beams and candy-appled everythings  
Bills and beams and candy-appled everythings

Cindy skips my trampoline  
With toys and horns and bouncing things  
And even the most silent must sing a song of love  
Yes even the silent, they must sing a song of love

Ooooh...  
Ooooh...

A happy girl, she's spinning  
These strings in her curls  
And it's only the beginning  
Of a trip around the world  
Cindy, won't you smile?  
Cindy, won't you sleep a while?  
I feel like just a child  
Sinking down one hundred million miles

Ooooh...  
Ooooh...
