

# Neva Dinova, She Can't Change

She can't change, she don't wanna  
It's not like when she was young  
She'd change for anyone  
I can't change, I don't wanna change  
Not like when I was young  
I'd change for anyone

We don't wanna face it  
We don't wanna face it  
We don't wanna face it

Broke a promise I had saved up for you  
It's not like when you were young  
I won't tell anyone  
She don't like me cause I can't speak  
Not like when I was young  
I spoke for everyone

If it's too hard, be honest  
If it's too hard, be honest  
If it's too hard, be honest  
(We don't wanna face it)
