

Neva Dinova, Will The Ladies Send You Flowers?

Will the ladies send you flowers when you die?
Will the ladies send you flowers when you die?
Will the ladies send you flowers
After God takes back his powers?
Will the ladies send you flowers when you die?

I've been dying for a year and 10 days
I've been dying for a year and 10 days
I've been dying for years
Trying to drown myself in tears
I've been dying for a year and 10 days

Now I'm looking over
The prettiest thing I've ever felt
It's full glass of whiskey
Then something just caught my eye

Will the ladies send you flowers when you die?
