Neva Dinova, Yellow Datsun

well the sickness hasn't left hasn't left me don't know why and if my health does not come back i'm gonna die

here comes my ride it's not that fast and I know why cause my friends don't drive the benz they drive them yellow datsuns

hey lady please don't make me the fool i'm wearing sleeves on my heart for you

oh I ain't gonna live and I think that doc knows why I got morphine in my sleeves I got some stars in my eyes I got morphine in my sleeves got some stars in my eyes

hey lady please don't make me the fool cause jerry's kids been bettin' on this information they got from you

and I ain't gonna live but i'll race you to the sun I can't lose i'm gonna win i'm in my yellow datsun I can't lose i'm gonna win i'm in my yellow datsun
