

Never Dull, Tonight Is The Night (Disco Reworks)

Tonight's the night we both stop playing games
I wanna show you how I feel (I wanna show you how I feel)
Baby, I'm not ashamed
What I'm feeling, I can't hold back another day
I'm ready for your love, baby, let's not wait

I wanna love you over and over
Let our love fill the air
Baby, let's put our cause on the table
Tonight we don't care

Let's go all the way
Baby, I'm serious, I'm not for play
Let's go all the way
Baby, I'm serious, I'm not for play

Don't pretend it hasn't crossed your mind
I know you feel like I feel (I know you feel like I feel)
Let's make it on the line
To feel your touch, a chill runs over me
Together, baby (together, baby), we'll find ecstasy

I wanna love you over and over
Let our love fill the air
Baby, let's put our cause on the table
For tonight we don't care

Let's go all the way
Baby, I'm serious, I'm not for play
Let's go all the way
Baby, I'm serious, I'm not for play, yeah
(Let's go all the way) let's go all the way
(Baby, I'm serious, I'm not for play) I'm not for play
(Let's go all the way) I know you feel like I feel
(Baby, I'm serious) let's not play
(I'm not for play) these feelings are for real
Let's go all the way
Baby, I'm serious, I'm not for play

(Let's go all the way) let's go all the way, baby
(Baby, I'm serious, I'm not for play) I'm not for play, no
(Let's go all the way) let's go all the way
(Baby, I'm serious, I'm not for play) I am not for play
(Let's go all the way) aye, let's go all the way...
(Baby, I'm serious, I'm not for play) I'm not for play, yeah
(Let's go all the way) let's go, let's go, let's go all the way, baby
(Baby, I'm serious, I'm not for play...)
