

# Never Heard Of It, Walking Alone

It's the way people always  
Talk about you when your not around  
It's the way that i feel the second  
That I'm back in town

Im walkin alone it's gotta be this way  
I haven't seen you in so long  
I know that you're home  
I think it's better when  
I can see you then i'm gone

And it feels like dying  
It's 12 for you but it's 3 AM for me  
Another missed call  
But I'mnot running away  
Please believe me and every word I say

And I'm walkin away from you  
Cause it's something i must do  
Still I can't wait nor can I anticipate  
All the things we hate  
I'm walkin alone

And I'm stuck on you this is so brand new  
And it seems i'm lying  
I try not to try but the days go by  
So slow you're crying  
Walkin alone it's gotta be this way  
I haven't seen you in so long  
I know that you're home  
I think it's better when  
I can see you then i'm gone
