

Never Shout Never, My friend Jane

You see this girl
Shes got a problem
Telling time
If you knew her
Youd ask me so many questions
Shes confused about her image
Although we all agree shes beautiful
If you knew her
Youd ask me so many questions
Ive never felt so good;.
Writing a song about you
Ive never felt so compelled to tell you we miss you so
Ever song that Ive wrote about you;.
And how we need you back
Its kinda like that
I promise that youve never looked so good;.
Without that face on
I know you know you knew you never could
I beg to differ if I had one;.
(to get back)
(no someone)
I promise that youve never looked so good;.
Without that face on
I know you know you knew you never could
I beg to differ if I had one;.
(to get back)
(know someone)
I promise that youve never looked so good;.
Without that face on
I know you know you knew you never could
I beg to differ if I had one;.
