

Nevermore, Silent Hedges / Double Dare

Following the silent hedges
Needing some other kind of madness
Looking into purple eyes
Sadness at the corners
Works of art with a minimum of steel
Pure sensation
The beautiful down grade
Going to hell again
Going to hell again
Self confidence leaks
From a thousand wounds
Faults of civilization
Burning the private paradise of dreams
Minus hands of the electric clock - clock - clock - clock
What happens when the intoxication of success has evaporated?
Following the silent hedges
Following the silent hedges
Going to hell again
I dare you to be real
Pure sensation
The beautiful down grade
Going to hell again
Going to hell again
Again (4x)
