

# Nevershoutnever, Dare4distance

I got the concept and came to the conclusion  
That the top floor was just an illusion  
To the fact that I go this break in my back  
That I can't get out; I can't figure out how  
You appeared right in front of me  
Before your march down south a university  
Is where you spend your daylight  
But we're both just waiting for this Friday night  
Although the distance is daring  
We both know how to drive  
Wo-o  
Weekend make-up for the lost time that we both apologize for  
I can't stand the fact that this extremity is the center of my day  
I see where you're coming from  
We've been on the same boat since day one  
I see how you like to run  
Back to the things that got you here  
Although the distance is daring  
We both know how to drive  
Wo-o  
Weekend make-up for the lost time that we both apologize for  
I can't stand the fact that this extremity is the center of my day  
Mondays I sleep away  
Tuesdays I lay awake  
Wednesdays are the worst  
Thursdays I reminisce  
Fridays I see your face  
And I can breathe
