

# Nevershoutnever, Losing it

All we ever did was move around.  
I was always the new kid.  
Never the cool kid.  
But all I ever wanted to do was to fall in love.  
Just to be in love.  
But my heart was racing.  
My mind was screaming,  
"you've got your whole life to do these things."  
But my legs were shaking.  
My hands were searching for her  
in the backseat of my car.  
I just lost it,  
and I can't believe that  
I knew that I was only sixteen,  
but I thought I loved her,  
and it'd last forever.  
But only if I knew  
that she wasn't true.  
How could she do this to me?  
But my heart was racing.  
My mind was screaming,  
"you've got your whole life to do these things."  
But my legs were shaking.  
My hands were searching for her  
in the backseat of my car.  
I just lost it,  
and I can't believe that.  
Ooh...
