

# Nevershoutnever, Losing it

All we ever did was move around.  
I was always the new kid.  
Never the cool kid.  
But all I ever wanted to do was to fall in love.  
Just to be in love.  
But my heart was racing.  
My mind was screaming,  
&quot;you've got your whole life to do these things.&quot;  
But my legs were shaking.  
My hands were searching for her  
in the backseat of my car.  
I just lost it,  
and I can't believe that  
I knew that I was only sixteen,  
but I thought I loved her,  
and it'd last forever.  
But only if I knew  
that she wasn't true.  
How could she do this to me?  
But my heart was racing.  
My mind was screaming,  
&quot;you've got your whole life to do these things.&quot;  
But my legs were shaking.  
My hands were searching for her  
in the backseat of my car.  
I just lost it,  
and I can't believe that.  
Ooh...
