

# Nevershoutnever, Sky High Standard

I don't know how to put this right  
except we're screaming at the stoplights now  
and I can't breathe, woo  
I got the notion through all this commotion  
that I was in the wrong  
through trial and error  
I found myself holding on to the things I hate  
if I had a dime for every apology  
that was never said I'd be a rich man  
where do I go when no ones home  
where do I run when I'm alone, alone  
where do I hide when I'm afraid  
?? is gonna change without me  
I strategize, playing tic tac toe or dominos  
anything to get me through the day  
I strategize, playing tic tac toe or dominos  
anything to get me through the day  
this is me trying to live my life  
by your standards, your god awful standards  
they wear me down, ohh  
where do I go when no ones home  
where do I run when I'm alone, alone  
where do I hide when I'm afraid  
?? is gonna change without me  
where do I go when no ones home  
where do I run when I'm alone, alone  
where do I hide when I'm afraid  
?? is gonna change without me
