

Nevershoutnever, Smelyalata

I know that I've been dancing around the truth

Tell me what the hell I'm suppose to do

I'm a little bit aggitated

With a slight scent of denile

(please don't call)

(me again)

I'm calling all the time I know I interupt

It hurts when all I hear is you hanging up

La da da da da da da

I wont try that again

(x2)

La la la la

(x8)

Everybody's going to the party and were having a good time

I'm feeling alright tonight with a better judgement

I'm calling all the time I know I interupt

It hurts when all I hear is you hanging up

La da da da da da da

I wont try that again
