

Neville Aaron, Down Into Muddy Water

D. Linde

Now you left me here and went out in the town

Don't know when I've been so down

The sky is dark the moon is blue

I don't know what I'm goin' to do

Is like I'm fallin' down into muddy water

Well I match no man who has come and gone

I still got the TV on

A white noise a blue moon

sitting here waitin' up on you

Is like I'm fallin' down into muddy water

The clock on the wall keeps rollin' on

Two o'clock, three o'clock, four o'clock five

Baby you still aint home

Well I fall down to sleep in straight back chair

Morning comes and you still aint here

Hold on I've had enough

Holding on to your faithless love

Is like I'm fallin' down into muddy water

The clock on the wall keeps rollin' on

Two o'clock, three o'clock, four o'clock five

Baby you still aint home

Now you left me here and went out in the town

Don't know when I've been so down

The sky is dark the moon is blue

I don't know what I'm goin' to do

Is like I'm fallin' down into muddy water

I'm fallin' down (down) into muddy water (into muddy water) (5X)
