

# Neville Brothers, Love The One You're With/Can't

Say, when you're down, and you're confused  
And you don't remember, who you're talkin' to  
And your concentration, oh it slips away  
'Cause your baby is so far away

Chorus:

Well there's a rose, in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love, honey  
Love the one you're with...

Don't be angry, don't be sad  
Don't sit cryin', talkin' about the fun you had  
you got somebody, right next to you  
And they're just waiting, waiting, waiting for something to do

Chorus

shoo do do do do do do do etc.

keys solo

Turn all your sorrows oh turn them into joy now  
She's a girl, brother and you're a boy  
oh well you get it together, oh and you can make it nice  
oh and You wont need, nobodys advice

Chorus

keys solo

You can't always get what you want,  
You can't always get what you want,  
You can't always get what you want,  
But if you try and you keep on a-praying  
I know, I know, I know  
gonna get what you need!

I saw the girl yesterday at the reception  
She was just standing there, (she looked so pretty too y'all) she had a drink in her hand.  
But I could tell by the way, I had a funny feeling she was talking to me,  
And the girl had found herself, she found herself another man.

(I can't be no hypocrit y'all when I say)  
You can't always get what you want,  
You can't always get what you want.  
You can't always get what you want  
(adlib)  
Keep trying, keep praying and I know  
Gonna what you need!
