

# New Amsterdams, Idaho

She says  
Idaho  
Is calling you home

Old friends and lovers  
Returning the blows  
Cry me a river  
Miss understood  
(If you're misunderstood)  
For all ever after  
Knew that you would  
(How I knew that you would)

I didn't turn on  
You turned away  
No one is listening  
Anyway

She says  
Idaho  
Is calling you home

Old Friends and Lovers  
Returning the blows  
Cry me a river  
For misunderstood  
(If you're misunderstood)  
For all ever after  
Knew that you would  
(How I knew that you would)

I didn't turn on  
You turned away  
No one is listening  
Anyway

Time is the best thing for giving in  
No one is listening  
Time is the best thing for giving in  
No one is listening  
Time is the best thing for giving in  
No one

She says  
Idaho  
Is calling you home
