New Amsterdams, Idaho

She says Idaho Is calling you home

Old friends and lovers
Returning the blows
Cry me a river
Miss understood
(If you're misunderstood)
For all ever after
Knew that you would
(How I knew that you would)

I didn't turn on You turned away No one is listening Anyway

She says Idaho Is calling you home

Old Friends and Lovers
Returning the blows
Cry me a river
For misunderstood
(If you're misunderstood)
For all ever after
Knew that you would
(How I knew that you would)

I didn't turn on You turned away No one is listening Anyway

Time is the best thing for giving in No one is listening Time is the best thing for giving in No one is listening Time is the best thing for giving in No one

She says Idaho Is calling you home
