

# New Amsterdams, Proceed With Caution

Sober you up  
The odd's in your favor  
I wouldn't wager anything  
The clouds in your ears  
Hold off your bets now  
It's all going too well  
Something has gotta give  
I wouldn't wait for it  
Baby I bet it's overdue  
Lucky to be alive  
So I wouldn't count  
On anything  
Proceed with caution
