

New Atlantic, Anniversary

One last time, slip in from moonlight.
Go over all the lines I won't hear when you wake up.

Please wake me up, I'm falling off.
Expensive smiles and cheap photographs.
I'll waste my time, I waste mine.

And I fall, I fall into my love.
Crash down, your spirit is weak tonight.

Please wake me up, I'm falling off.
Expensive smiles and cheap photographs.
I'll waste my time, I waste mine.
