

New Cars, Candy-O

Candy-O, I need you
Sunday dress, ruby ring
Candy-O, I need you so
could you help me in?

purple hum, assorted cards
razor lights you'll bring
and all to prove you're on the move
and vanishing

Candy-O, I need you so
Candy-O, I need you so

edge of night, distract yourself
obstacles don't work
homogenize
decentralize
it's just a quirk

different ways to see you through
all the same in the end
peculiar star, a-that's who you are
do you have to win?

Candy-O, I need you so
Candy-O, I need you so

Candy-O, I need you so
(Candy-O)
Candy-O, I need you so
(Candy-O)
