

# New Cars, I Saw The Light

It was late last night  
I was feeling something wasn't right  
There was not another soul in sight  
Only you, only you  
So we walked along,  
though I knew there was something wrong  
And the feeling hot me oh so strong about you  
Then you gazed up at me and the answer was plain to see  
'Cause I saw the light in your eyes

Though we had our fling  
I just never would suspect a thing  
'Til that little bell began to ring in my head  
In my head  
But I tried to run,  
though I knew it wouldn't help me none  
'Cause I couldn't ever love no one, or so I said  
But my feelings for you  
were just something I never knew  
'Til I saw the light in your eyes

But I love you best  
It's not something that I say in jest (ha ha)  
'Cause you're different, girl, from all the rest  
In my eyes  
And I ran out before but I won't do it anymore  
Can't you see the light in my eyes
