

# New Cars, Let's Go

She's driving away with the dim lights on  
She's making a play and she can't go wrong  
She never waits too long  
She's winding them down on her clock machine  
And she won't give up 'cause she's seventeen  
She's a frozen fire  
She's my one desire

## CHORUS

And I don't want to hold her down  
Don't want to break her crown  
When she says, let's go  
I like the nightlife baby  
She says, let's go

She's laughing inside 'cause they can't refuse  
She's so beautiful now, she doesn't wear her shoes  
She doesn't like to choose  
She's got wonderful eyes and a risque mouth  
And when I ask her before, she said she's holding out  
She's a frozen fire  
She's my one desire

## CHORUS
