

# New Direction, Hold Out

[Verse 1:]

So many nights Ive cried,  
for better days I prayed for;  
but through it all I know  
the sun is gonna shine if I hold out,  
the sun is gonna shine if I hold out.

[Verse 2:]

Sometimes I feel alone,  
no one around to call to on;  
I must endure for I know  
the sun is gonna shine if I hold out,  
the sun is gonna shine if I hold out.

[Bridge:]

Weeping may endure for a night,  
trouble dont last always;  
joy comes in the morning,  
just wait til the morning.

[Verse 3:]

I wont let go of my faith  
the sun is gonna shine if I hold out,  
the sun is gonna shine if I hold out.

[Vamp:]

The sun is gonna shine.
