

# New Direction, I Came To Jesus

[Verse 1:]

I was messed up, dirty as I could be,  
I was on my way to hell;  
but I heard the preacher,  
preaching the Word of God,  
confess your sins and repent.

[Chorus:]

I came to Jesus as I was,  
weary, worn, and sad.  
I found in Him a resting place  
and He has made, made me glad.

[Verse 2:]

I asked the Lord,  
how could He love me,  
I have sinned against Your will.  
But He said, repent and I will forgive you,  
the questions who will you serve?

[Verse 3:]

You might be dirty, messed up inside,  
You may even have lost your will to live;  
dont be discouraged, dont throw in the towel,  
confess your sins and repent so you can be like me.
