

# New Direction, I Can Make It

[Chorus:]

I can make it, I can stand.  
Stay with with me, hold my hand.  
You are my peace, You are my joy;  
I can make it, I can stand.

[Bridge:]

Through heartches, disappointments,  
even through sickness and pain;  
I can make it, I can stand.

[Vamp 1:]

I can make it, I can stand.

[Vamp 2:]

I can stand, stand, stand, stand.
