

# New Direction, Lighthouse

[Chorus:]

Let the light from the lighthouse,  
let it shine on me. [x3]  
I wonder if the light  
from the lighthouse  
would shine, would shine on me.

[Verse:]

Here is my thought, this is my plea  
Lord, let Your holy light shine on me.  
I wonder if You'll hear my prayer,  
I know I'm not worthy but I need Your care.

Lord shine Your light, shine it this way,  
shine it so I can see which way to take.  
My faith is in You, to see me through  
I have one question...

[Bridge:]

I wonder if the light  
from the lighthouse  
would shine, would shine on me.

[Vamp:]

Shine on me.
