

New Direction, Rain

[Verse 1:]

I can hear Your voice calling me
Telling me that I have work to do
Even though I know that I'm not worthy
But I'm willing Lord, whatever You say

[Chorus:]

Rain down
Oh, rain down
Oh, rain down on me
Oh, oh, rain down
Oh, rain down
Oh, rain down on me

[Verse 2:]

I know it won't be easy Lord
To tell a dying world to repent of their sin
I don't want them to wait too long
For You're coming back again

[Chorus]

[Vamp]

Rain down
Rain down
Rain down
Rain down
