

# New Edition, Hey There Lonely Girl

Hey there lonely girl, lonely girl  
Let me make your broken heart like new  
Oh, my lonely girl, lonely girl  
Don't you know this lonely boy loves you

Ever since he broke your heart, you seem so lost  
Each time you pass my way  
How I long to take your hand and say don't cry  
I'll kiss your tears away

Hey...lonely girl, my only girl  
Let me make your broken heart like new  
Hey there lonely girl, lonely girl  
Don't you know this lonely boy loves you

(You think that only his two lips can kiss your lips)  
(And make your heart stand still)  
But once you're in my arms you'll see  
No one can kiss your lips the way I will  
The way I will

Hey there lonely girl, lonely girl  
Let me make your broken heart like new  
Hey there lonely girl, lonely girl  
Don't you know this lonely boy loves you

Don't you know this lonely boy loves you  
Ooh...

Hey there lonely girl, lonely girl  
Let me make, let me make your heart like new, oh, yeah  
Hey there lonely girl, lonely girl
