

# New Found Glory, Happy Together

Imagine me and you, I do  
I think about you day and night  
It's only right, to think about the girl you love  
And hold her tight  
So happy together  
I should call you up  
To pass the time  
And you say you belong to me,  
That you are mine  
Imagine how our world would be  
So very fine  
So happy together  
I can't see me being with anybody but you  
I'm up all night,  
When you're with me maybe the sky'll be blue,  
I'm up all night

Me and you, and you and me  
No matter how they toss the dice,  
It can only be  
The only one for me and you, and you and me  
So happy together  
I can't see me being with anybody but you  
I'm up all night  
When you're with me maybe the sky'll be blue  
I'm up all night  
Me and you, and you and me,  
No matter how I toss the dice  
It's hard to see  
The only one for me is you, and you for me  
So happy together  
Etc...
