

# New Found Glory, I Love Rock N' Roll

[Originally by The Arrows]

I saw her dancin' there by the record machine  
I knew she must a been about seventeen  
The beat was goin' strong  
Playin' my favorite song  
An' I could tell it wouldn't be long  
Till she was with me, yeah me, singin'  
Till she was with me, yeah me, singin'

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

She smiled so I got up and' asked for her name  
That don't matter, she said,  
'Cause it's all the same

Said can I take you home, where we can be alone

An' next we were movin' on  
Cause she was with me, yeah me

Next we were movin' on  
Cause she was with me, yeah me, singin'

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

I saw her dancin' there by the record machine  
I knew she must a been about seventeen  
The beat was goin' strong  
Playin' my favorite song  
An' I could tell it wouldn't be long  
Till she was with me, yeah me  
And we'll be moving on, and singing that same old song, yea with me

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

I love rock n' roll  
So put another dime in the jukebox, baby  
I love rock n' roll  
So come an' take your time an' dance with me

I love rock n' roll  
So put another dime in the jukebox, baby
