New Found Glory, My Friends Over You

I'm drunk off your kiss
For another night in a row
This is becoming too routine for me
But I didn't mean to lead you on
And it's all right to pretend
That we still talk
It's just for show, isn't it?
It's my fault that it fell apart

Just maybe You need this And I didn't Mean to lead you on

You were everything I wanted but I just can't finish what I've started.
There's no room left here on my back It was damaged long ago
Though you swear that you are true I still pick my friends over you
My friends over you

Please tell me everything,
That you think that I should know
About all the plans you made
When I was no where to be found.
And it's all right to forget
That we still talk
It's just for fun, isn't it?
It's my fault that it fell apart

Just maybe You need this And I didn't Mean to Lead you on

You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My friends over you

Just maybe you need this You need this And I didn't Mean to lead you on

You were everything I wanted
But I just can't
Finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over

You were everything I wanted But I just can't Finish what I've started There's no room left here on my back It was damaged long ago Though you swear that you are true I still pick my friends over you My friends over you
