

# New Found Glory, The Goodbye Song

last year was one of our better years.  
in a life full of separation  
it's ok to second guess.  
just as long as you remember she's gone...

in the bright of day  
it might seem like the stars are gone.  
they never leave,  
they come back when the sun moves on.

it's over now.  
you watched me as i turned around.  
it's not why, but how  
the light is on.  
i'll come home now.

i feel it's been such a long time  
since her eyes have met with mine.  
i feel it's been such a long time  
i'm glad you've made up your mind.  
it's hurting me from the inside.  
if i only had something to say.  
maybe if i prove that i'm right.  
will it still be safe to stay?
