

New Kids On The Block, A Love Like This

I noticed a change inside
I've fallen so deep this time

I feel your heartbeat inside me
Now you're so close I can hardly breathe
I look at you and I can't believe
That you're mine

All of my life
I waited for a love like this
And 'till the end of time
You're the one I wanna spend it with
(I'll do anything)
For a love like this

There's something so different about this (so different about this)
I don't know how I ever lived without it
I'll do anything for you

I feel your heartbeat inside me
Now you're so close I can hardly breathe
I look at you and I still can't believe
That you're mine

All of my life
I waited for a love like this
And till the end of time
You're the one I wanna spend it with
(I'll do anything)
For a love like this

Every time we kiss is a dream come alive
Every time we touch girl it feels so right
I'll give you all the best for the rest of my life
I'm a give you more every day every night

Every time we kiss is a dream come alive
Every time we touch girl it feels so right
I'll give you all the best for the rest of my life
I'm a give you more every day every night

All of my life
I waited for a love like this
And till the end of time
You're the one I wanna spend it with
(I'll do anything)
For a love like this
A love like this this this
A love like this
A love like this this this
A love like this
