Baby girl, here she ain't no amateur
Wears couture and smiles for the camera
Hottest bags, got the neatest handler
Yes, she is a freak, and when I'm out and taking trips,
I mean there she goes up in my mix
From Paris, Peru, to every club
She be tearin it up, what.
She is so sexy and I'm into her, into her
Yeah, I'm into her, into her
For sure.

She go on like a circus, the way she works it, work it
Straight up like a circus, the way she works it, work it.
Baby, go and work it

Do you like my body?
Girl, you know I do
Do you think that I'm a hottie?
Girl, you know I do
Do you wanna go and party?
Girl, you know I do
Well, whatcha wanna do?
Here's what I wanna do

I'mma give you some grown man
I'mma give you some grown man
I'mma give you some grown man

Baby, show me whatcha gonna do

She's living the crazy life
They don't stop until the midnight
Don't need the sun; she's got the strobe light
Workin in slow motion
She stands on bars and pops on tables
Showin her designer labels
I ask her why she's so unstable
She just don't give a, don't give up easy.

She is so sexy and I'm into her, into her
Yeah, I'm into her, into her
For sure.

She go on like a circus, the way she works it, work it
Straight up like a circus, the way she works it, work it.
Baby, go and work it

Do you like my body?
Girl, you know I do
Do you think that I'm a hottie?
Girl, you know I do
Do you wanna go and party?
Girl, you know I do
Well, whatcha wanna do?
Here's what I wanna do

I'mma give you some grown man

I'mma give you some grown man
I'mma give you some grown man

So you wanna get with me?
I gotta say that's what's up
But I must admit, I ain't easy
You gonna be working overtime on me
Tell me what you want

I'mma give you some grown man
I'mma give you some grown man
