

# New Kids On The Block, I'll Be Waitin

Hey baby

Hello

What's on your mind

I miss you so much

I miss you too

But you ain't gotta worry about a thing, cause I'll be waitin' for you

[Chorus: ]

I'll be waitin' for you

(Till the break of dawn)

Would you come back to me

(cause you're better than the rest of them)

I'll be waitin' for you

(till the break of dawn)

Always, always

I woke up last night

You're the only one that's on mind

I can't imagine

You're not here with me

With me baby

I don't know what I would do

If my love wasn't meant for you

Girl you make me feel so good inside

Yes, you do

[Chorus]

Now my heart begins to break

Baby, why you so late

You know that I

That I do miss you

Miss you baby

Now that we found love

You're all I'm dreaming of

Girl you make me feel so good inside

Yes you do

[Chorus]

I'll be waitin' when you call me

I'll be here

Have no fear

Hurry home 'cause I need you

I won't deceive you

I'll never leave you

[Chorus ]
