New Kids On The Block, I Need You

Girl, my heart is in your hands, I need you to understand. Please, swallow your pride, I want you to be my guide. Girl, I love you, I want you, oh, how I care, when you need me, I'll be there. I need you, yes, I do, girl.

Girl, my love is all for you, no one else will ever do. Please, open your heart and let in a brandnew start. Girl, I love....

Girl, I need you. Girl, in me you got to believe, I'll be loving you and this you will see I need you, yes, I do, girl, I need you, yes, I do. Girl, I need you, I need you, yes, I do, girl, I need you. [Spoken:] Baby, you gotta know how much I want you, I need you oh so much, I love you, girl.
