New Kids On The Block prezentują piosenkę "Kids" (premiera 5 marca 2024 r.).

Kids

We been up since day one  
We been chasing the sun  
On the ceiling  
What a feeling

When we touch we stop time  
We were dancing skylines  
It's amazing  
What a feeling

Follow, anywhere you go I follow  
Don't make me wait 'til tomorrow  
Don't make me wait without you ooh

Jump in the drop-top cause we're taking it up  
Got time on lock and it's all that we got  
We're free, and we got nowhere to be

And we're still just kids from a nobody town  
Still just kids that are messing around  
Making the most of the things that we found whoa

Jump in the drop-top cause we're taking it up  
Got time on lock and it's all that we got  
We're free and we got nowhere to be

Every night we're spending  
Like the world is ending  
Cause we're dreaming  
Oh what a feeling

Dancing every heartbeat  
Light up every dark street  
In starlight  
We got all night

Follow, anywhere you go I follow  
Don't make me wait 'til tomorrow  
Don't make me wait without you ooh

Jump in the drop-top cause we're taking it up  
Got time on lock and it's all that we got  
We're free and we got nowhere to be

And we're still just kids from a nobody town  
Still just kids that are messing around  
Making the most out of the things that we found whoa

Jump in the drop-top cause we're taking it up  
Got time on lock and it's all that we got  
We're free and we got nowhere to be

Follow, anywhere you go I follow  
Don't make me wait 'til tomorrow  
Don't make me wait without you ooh

And we're still just kids from a nobody town  
Still just kids that are messing around  
Making the most out of the things that we found whoa

Jump in the drop-top cause we're taking it up  
Got time on lock and it's all that we got  
We're free and we got nowhere to be
