

# New Kids On The Block, Where Do I Go From Here

Where do I go from here? Do I tell you I still love you?

And where do I go from here? Do I tell you I still miss you?

Can't you see, you're a part of me?

Don't you know, I can't let you go?

My problems are few when I am with you, what should I do?

I don't know, I don't know.

Where...

Picture me not loving you, picture you, what you're going through.

My problems....

Where...

Where do I go, where do I go from here?

Where do I go, where do I go from here?

Tell me do I tell you that I love you,

tell me do I tell you that I need you,

where do I go from here?

Tell me... [repeat & fade]
