New Order, Every Little Counts

Every second counts When I am with you I think you are a pig You should be in a zoo I guess I should've known I'd end up on my own Every second counts when I am with you Every second counts

Every little counts When I am with you You make me feel so good I never felt so new I saw you long ago Though you never let it show Every little counts when I am with you

Every little counts when I am with you

Every second counts When I am with you Even though you're stupid I still follow you The smile upon your face, It always stays in place Every second counts when I am with you

Every second counts when I am with you Every second...
