

# New Order, Jetstream

(It's only one more day)

Can you wait  
My plane will be arriving shortly  
Right there at the gate  
I pray that you'll be waiting right there for me

This time could be what  
We've both been searching for  
Our whole lives waking up  
And coming back for more

(Leave your baggage behind, you won't need it tonight, enjoy your flight)

J-E-T (J-E-T)  
You are so good for me (You are so good for me)  
You are my jetstream lover  
You're how I wanna be (Just how I wanna be baby)

J-E-T (J-E-T)  
You are so good for me (You are so good for me)  
You are my jetstream lover  
You're how I wanna be (Just how I wanna be baby)

We're so high  
I'm watching all the clouds stripped by below me  
We should try  
It's been so long since I made you cry

Long-Live-Love  
I just can't get enough of you  
I need that engines pushed  
It's gonna take me home to you

J-E-T (J-E-T)  
You are so good for me (You are so good for me)  
You are my jetstream lover  
You're how I wanna be (Just how I wanna be baby)

J-E-T (J-E-T)  
You are so good for me (You are so good for me)  
You are my jetstream lover  
You're how I wanna be (Just how I wanna be baby)

You were meant to be  
Home with me

J-E-T (J-E-T)  
You are so good for me (You are so good for me)  
You are my jetstream lover  
You're how I wanna be (Just how I wanna be baby)

J-E-T (J-E-T)  
You are so good for me (You are so good for me)  
You are my jetstream lover  
You're how I wanna be (Just how I wanna be baby)

You are so good for me (You are so good for me)  
You are so good for me (Just how I wanna be baby)

But you're gone  
But you're gone  
Don't let it go  
Don't let it go

If you don't try  
If you don't try  
How will you know  
How will you know
