

# New Order, Lordsy

Hey Joe what you're doing?  
It seems like it's all going wrong  
There's a storm in the sky passing over  
And it looks like it's going to be strong  
You've got eyes like an old wounded soldier  
They cry tears to the losts in the wind

Hey Joe  
Hey Joe  
Hey Joe  
What are your gonna do?

I looked for you  
I'll get you home  
Wherever you go  
Whatever you do  
I've got to find you  
I've got to find you (Whatever you do)

I looked for you  
I'll take you there  
Wherever you go  
Whatever you do  
I've got to find you  
Whatever I do (Whatever you do)

Hey Joe what you're doing?  
They say you don't care anymore  
You had your heart [hurt?] by a woman  
Now it doesn't work anymore  
She said that you had it coming  
That you were no good from the start

Hey Joe  
Hey Joe  
Hey Joe  
Time to go home

I looked for you  
I'll get you home  
Wherever you go  
Whatever you do  
I've got to find you  
I've got to find you (Whatever you do)

I looked for you  
I'll take you there  
Wherever you go  
Whatever you do  
I've got to find you  
Whatever I do (Whatever I do)  
Whatever I do (Whatever I do)  
Whatever I do (Whatever I do)  
Whatever I do (Whatever I do)  
Whatever I do (Whatever I do)
