

New Radicals, I Hope I Didn't Just Give Away The

(Oh, Oh yeah yeah yeah yeah yeah yeah yeah yeah yeah
Uh uh. Yeah yeah. Uh yeah yeah yeah.
All my world is my say. You cry.
I can't be the one no more, no more.
'Cause if you wanted the time of you.
'Cause I'm not giving the time for you.
Won't a be there 'cause she's afraid I'm gonna cry.
Give you my world, whoa.
'Cause you've been running 'round and 'round and 'round and
'round and 'round and 'round and 'round and 'round.
You are to me the world. Oh yeah.
Yeah yeah huh yeah yeah.
A-sing it for me, say that.
Yeah yeah yeah yeah yeah.
Sing for more of that.
Wan' make believe you found half an out down there.
She's in a real dark town,
and they do have plans for you.
They're driving down to the doo dat down.
To the ambulance shop.
Pick, pick it up, pick it up.
Yeah feel feel feel yeah baby baby.
Baby, love make me care.
I really really wanna really wanna.
Ooh yeah ooh yeah. Ooh yeah ooh yeah ooh yeah.
Ooh.
Ooh.)
She wanted to be a nun
Until that fateful day we met
I beat the crucifix
In a game of Russian roulette
I burned my Beatles records
Because she hated number nine
She licked rock cocaine suckers
Laughed, said her moms doing mine
well, are you an illusion,
or am I just getting stoned
Because I can't take it alone
I can't take it alone
I hope I didn't just give away the ending
We started limping,
Caught the handicap shuttle to town
And yelled "God's healed us"
As we ran off the bus the driver just frowned
By the way this girl was sexy and she wouldn't touch you
That may not be true
But I said it so you'd feel involved with this song
Are you an illusion
Or am I just getting stoned
Because I can't take it alone
I can't take it alone
I hope I didn't just give away the ending
We caught a fey taxi driver
I smiled the ride was free
I felt like Amsterdam
She wanted more drugs and maybe me
I told her dealer I was broke
He hired a camera man
We did a porno film for coke
I hear I'm big in Japan
Are you an illusion
Or am I just getting stoned
Because I can't take it alone
I can't take it alone

I hope I didn't just give away the ending
we went back to her kitchen
Put the coke all in a can
Tied up a T.V minister
In walked her dad
He started drinking coffee
Too much sugar on the go
He fell dead on the floor
He thought the coke was sweet'n'low
well are you an illusion
Or am I just getting stoned
Because I can't take it alone
I can't take it alone
I hope I didn't just give away the ending
Boy was she upset but then she stole her dad's wallet and
I drove him to the hospital
To sell all of his donatable body parts
And this is where she dies
They brought a depressed junkie in
She shot his Cyanide up
I guess she thought it was errol flynn
I'm blamed in the confusion
The police being phoned
I don't even love you
We weren't even friends
It's just that I can't take it alone
Uh, huh
I can't take it alone
I hope I didn't just give away the ending (repeat 6 times)
Aw Jesus, Ah shit
I think I just gave away the ending
