New Radicals, I Hope I Didn't Just Give Away The

Ùh uh. Yeah yeah. Úh yeah yeah yeah.

All my world is my say. You cry.

I can't be the one no more, no more.

'Cause if you wanted the time of you.

'Cause I'm not giving the time for you.

Won't a be there 'cause she's afraid I'm gonna cry.

Give you my world, whoa.

'Cause you've been running 'round and 'round and 'round and

'round and 'round and 'round and 'round.

You are to me the world. Oh yeah.

Yeah yeah huh yeah yeah.

A-sing it for me, say that.

Yeah yeah yeah yeah.

Sing for more of that.

Wan' make believe you found half an out down there.

She's in a real dark town,

and they do have plans for you.

They're driving down to the doo dat down.

To the ambulance shop.

Pick, pick it up, pick it up.

Yeah feel feel feel yeah baby baby.

Baby, love make me care.

I really really wanna really wanna.

Ooh yeah ooh yeah. Ooh yeah ooh yeah.

Ooh.

Ooh.)

She wanted to be a nun

Until that fateful day we met

I beat the crucifix

In a game of Russian roulette

I burned my Beatles records

Because she hated number nine

She licked rock cocaine suckers

Laughed, said her moms doing mine

well, are you an illusion,

or am I just getting stoned

Because I can't take it alone

I can't take it alone

I hope I didn't just give away the ending

We started limping,

Caught the handicap shuttle to town

And yelled "God's healed us"

As we ran off the bus the driver just frowned

By the way this girl was sexy and she wouldn't touch you

That may not be true

But I said it so you'd feel involved with this song

Are you an illusion

Or am I just getting stoned

Because I can't take it alone

I can't take it alone

I hope I didn't just give away the ending

We caught a fey taxi driver

I smiled the ride was free

I felt like Amsterdam

She wanted more drugs and maybe me

I told her dealer I was broke

He hired a camera man

We did a porno film for coke

I hear I'm big in Japan

Are you an illusion

Or am I just getting stoned

Because I can't take it alone

I can't take it alone

I hope I didn't just give away the ending we went back to her kitchen Put the coke all in a can Tied up a T.V minister In walked her dad He started drinking coffee Too much sugar on the go He fell dead on the floor He thought the coke was sweet'n'low well are you an illusion

Or am I just getting stoned Because I can't take it alone

I can't take it alone

I hope I didn't just give away the ending

Boy was she upset but then she stole her dad's wallet and

I drove him to the hospital

To sell all of his donatable body parts

And this is where she dies

They brought a depressed junkie in

She shot his Cyanide up

I guess she thought it was errol flynn

I'm blamed in the confusion The police being phoned

I don't even love you We weren't even friends

It's just that I can't take it alone

Uh, huh

I can't take it alone

I hope I didn't just give away the ending (repeat 6 times)

Aw Jesus, Ah shit

I think I just gave away the ending
