

New Radicals, You Get What You Give

Wake up kids
We've got the dreamers disease
Age 14 we got you down on your knees
So polite, you're busy still saying please
Frienemies, who when you're down ain't your friend
Every night we smash their Mercedes-Benz
First we run; and then we laugh till we cry
But when the night is falling
and you cannot find the light
If you feel your dream is dying
Hold tight
Chorus:
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
you only get what you give
Four a.m. we ran a miracle mile
we're flat broke but hey we do it in style
The bad rich
God's flying in for your trial
But when the night is falling
and you cannot find a friend
You feel your tree is breaking
Just then
(chorus)
This whole damn world can fall apart
You'll be ok, follow your heart
You're in harms way I'm right behind
Now say you're mine
(chorus)
Don't let go
We feel the music in you
Fly high
What's real can't die
You only get what you give
Just don't be afraid to leave
Health insurance rip off lying FDA big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Fashion mag shoots
with the aid of 8 dust brothers, Beck Hanson
Courtney Love, and Marilyn Manson
You're all fakes
Run to your mansions
Come around
We'll kick your ass in!
Don't let go
One dance left
Postscript: Championed by a soulless media misleading
people unaware they're bleeding
No one with a brain is believing
It's so sad you lost the meaning
Never knew it anyway
Human nature's so predictable
I'm a fool to do your dirty work whoa, whoa
