dare de mo hajime wa nanika o enjiteru  
donna toki mo zutto egao no mama de ireru  
anata no mae nara

In the beginning, everyone is performing something.  
They can always have a smile on their face  
while they're in front of you.

futari ga deatta kisetsu o kazatteta  
yuki no you na sunao na kimochi ni natte  
yatto anata to mukiaeta

We were acting when first we met.  
It became feelings that were natural like snow,  
and finally we could face each other.

nigete ikite mo nani mo kawaranai  
Even if you live by running away, nothing will change.

hontou wa wasurerarenai to omoikonde ite  
koukai suru to kimetsuketeru dake de  
susumenaide ita yo

shibarareta toki no naka de...

The truth is, we assumed that we could not forget.  
When we felt regret, we were only making a decision,  
unable to make any progress,  
in the time that bound us...

dou shite ima made aezu ni ita no darou?  
mune wa itsumo anata o motometsuzuketeta  
dokoka masshiro na mama de

Why haven't I been able to meet you yet?

My heart was always wanting you,  
somewhere, while it was pure white.

haru ga futari o koko (kanji=butai) e suiyo seta  
Spring pulls the two of us together here (onto the stage).

hontou wa sugu ni mo aitai no ni tsuyogatteta  
dareka taisetsu na hito ga iru to omoi  
sorezore ga mi o hiite

harisakeru mune o osae...

The truth is, although I want to meet you soon, it was all a show.  
I think there is someone who's dear.

Each one pulls at my body,  
as I hold my shredded heart back.

sonna no jibun ja nai to zutto omotte ita  
dare mo inai kara tsuyoi yaku mo enjiteta dake no koto  
I always thought that I wasn't that kind of person.

Because there isn't anyone else, I just had to play a strong role too.

anata ga iru kara boku wa boku no mama de ireru  
anata no mae de wa waratte ireru

koko dake ga jibun o  
dashite yukeru shiroi butai...

Because you're there, I can be myself.

I can laugh in front of you.

This is the only place  
where I can show myself, on the white stage...
