

# New sodmy, Farewell

She said.&quot;I think that we can meet never again&quot;;  
detained me.a long time...

I said&quot;Surely we can meet&quot;; and It became a last lie...  
So I must Say good-bye.

I thought that nothing would change.That day.But I noticed it.  
I thought that nothing would change.We promised.But I broke it.  
She said.&quot;I think that we can meet never again&quot;;  
detained me.a long time...

I said&quot;Surely we can meet&quot;; and It became a last lie...  
There is not an excuse.Anything...

I can't concentrate on my dream.

I want to forget.It's my selfishness.

But I couldn't say until now.

She said.&quot;I think that we can meet never again&quot;;  
detained me.a long time...

I said&quot;Surely we can meet&quot;; and It became a last lie...

She cried.&quot;I think that we can meet never again&quot;;  
detained me.a long time...

I promised.&quot;Surely we can meet&quot;; and It became a last lie...

So I must Say good-bye.

She said.&quot;I think that we can meet never again&quot;;  
detained me.a long time...

I said&quot;Surely we can meet&quot;; and It became a last lie...

She cried.&quot;I think that we can meet never again&quot;;  
detained me.a long time...

I promised.&quot;Surely we can meet&quot;; and It became a last lie...

So I must Say good-bye.

Yes, I was realized. I can't live without you.

So I must say farewell.

Yes, I was realized. I can't live without you.
